WHAT IS THIS PRODUCT?

Type

This product is a share of an investment company qualifying as an undertaking for collective investment in transferable securities (SICAV).

Term

This product has no maturity date. However, the manufacturer may decide to close the product under certain circumstances.

Objectives

The Sub-Fund's investment objective is to achieve long term capital growth by investing in the following asset classes:

- will mainly invest in a diversified portfolio of debt securities of any kind qualifying as transferable securities, with a Standard & Poor's minimum rating of B or an equivalent rating issued by another rating agency;
- may invest up to 30% of the Sub-Fund's net asset value in equities of any kind, including close ended Real Estate Investment Trusts (REITs) and/or UCITS and/or other UCIs (including ETFs qualifying as UCITS and/or UCIs), whose main purpose is to invest in asset classes such as equities, including close ended REITs, debt securities of any kind, government bonds, investment grade bonds, CoCos Bonds, high yield bonds, convertible bonds, floating rate notes, financial derivatives, contract for difference (CFD), credit default swap, total return swap, cash and cash equivalents, money market instruments and UCITS and/or other UCIs which may invest on real estate, without any geographical restriction;
- up to 10% in eligible structured products, embedding derivatives or not, including certificates;
- may invest up to 15% of the Sub-Fund's net assets in unrated debt securities;
- could invest up to 25% of the Sub-Fund's net asset in High Yield Bond;
- may invest up to 20% of its assets in convertible bonds or CoCos Bonds;
- may invest directly and/or indirectly in Asset Backed Securities (ABS), Mortgage Backed Securities (MBS) and Collateralized Debt Obligations (CDOs) up to 15% of its assets;

- may not exceed 10% of the Net Asset Value of the Sub-Fund's investments in UCITS and/or UCIs.

The Sub-Fund may invest in China A-Shares up to 10%. Exposure in commodities will be limited to 10% of the Sub-Fund's assets. Investments in distressed or defaulted securities are not allowed under this Sub-Fund.

The Sub-Fund may, in accordance with the investment restrictions of the Fund, purchase or sell put and call options, financial futures, contracts for difference (the "CFD"), credit default swap (the "CDS"), and forward contracts, on financial indices, foreign currencies and transferable securities for hedging and/or investment purposes.

The Fund is actively managed and it has no reference Benchmark.

The Sub-Fund has been categorized as a financial product falling under the scope of article 8 of the SFDR.

Redemption and Dealing Shares of the Fund may be redeemed on demand, with dealing normally on a daily basis.

Distribution Policy This Share Class does not pay dividends. Earned income is retained in the NAV.

Intended retail investor

The fund is suitable for investors who seek the benefits of a diversified mix of equities and fixed income instruments. It is also suitable for investors who are comfortable with and understand the risks of investing in the equity market. The investors must be able to accept significant temporary losses; thus the fund is suitable for investors who can afford to set aside the capital for at least 5 years.

Practical information

Depository The fund depository is Banque et Caisse d'Epargne de l'Etat, Luxembourg.

WHAT ARE THE RISKS AND WHAT COULD I GET IN RETURN?

Risks

The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movements in the markets or because we are not able to pay you.

We have classified this product as 3 out of 7, which is a medium-low risk class. This rates the potential losses from future performance at a medium-low level, and poor market conditions are unlikely to impact the capacity of the product to pay you.

Not all risks affecting the Sub-Fund are adequately captured by the summary risk indicator. Full details of all risks the Sub-Fund is exposed to are provided in the prospectus.

This product does not include any protection from future market performance so you could lose some or all of your investment.

Performance scenarios

The figures shown include all the costs of the product itself, and includes the costs of your advisor or distributor. The figures do not take into account your personal tax situation, which may also affect how much you get back.

What you will get from this product depends on future market performance. Market developments in the future are uncertain and cannot be accurately predicted.

The unfavourable, moderate, and favourable scenarios shown are illustrations using the worst, average, and best performance of the product over the last 10 years. Markets could develop very differently in the future.

Recommended holding period		5 years	
Example Investment		10,000 EUR	
Scenarios		if you exit after 1 year	if you exit after 5 years (recommended holding period)
Minimum	There is no minimum guaranteed return. You could lose some or all of your investment.		
Stress	What you might get back after costs Average return each year	7,499 EUR -25.0%	6,937 EUR -7.1%
Unfavourable	What you might get back after costs Average return each year	8,831 EUR -11.7%	9,836 EUR -0.3%
Moderate	What you might get back after costs Average return each year	10,185 EUR 1.8%	10,721 EUR 1.4%
Favourable	What you might get back after costs Average return each year	11,128 EUR 11.3%	11,558 EUR 2.9%

Unfavourable: this type of scenario occurred for an investment between 31 August 2021 and 30 September 2025.

Moderate: this type of scenario occurred for an investment between 31 May 2018 and 31 May 2023.

Favourable: this type of scenario occurred for an investment between 31 December 2016 and 31 December 2021.

The stress scenario shows what you might get back in extreme market circumstances.

WHAT HAPPENS IF PHARUS MANAGEMENT LUX S.A. IS UNABLE TO PAY OUT?

Pharus Management Lux S.A. is a société anonyme and has been appointed as management company of the Fund. The Fund is also a société anonyme and its assets are segregated from those of the Management Company. The Fund has entrusted the Depositary Bank with the safekeeping of its assets, which are kept separated from the Depositary Bank's assets. A default of Pharus Management Lux S.A. will therefore have no impact on the value of your investment in the product.

WHAT ARE THE COSTS?

The person advising on or selling you this product may charge you other costs. If so, this person will provide you with information about these costs and how they affect your investment.

Costs over time

The tables show the amounts that are taken from your investment to cover different types of costs. These amounts depend on how much you invest, how long you hold the product. The amounts shown here are illustrations based on an example investment amount and different possible investment periods.

We have assumed:

- in the first year you would get back the amount that you invested (0% annual return). For the other holding periods we have assumed the product performs as shown in the moderate scenario,
- 10,000 EUR is invested.

Example Investment 10,000 EUR	if you exit after 1 year	if you exit after 5 years (recommended holding period)
Total Costs	189 EUR	1,014 EUR
Annual cost impact*	1.9%	1.9%

(*) This illustrates how costs reduce your return each year over the holding period. For example it shows that if you exit at the recommended holding period your average return per year is projected to be 3.4% before costs and 1.4% after costs.

Composition of costs

One-off costs upon entry or exit		Annual cost impact if you exit after 1 year
Entry costs	0.00% , we do not charge an entry fee.	0 EUR
Exit costs	0.00% , we do not charge an exit fee for this product, but the person selling you the product may do so.	0 EUR
Ongoing costs taken each year		
Management fees and other administrative or operating costs	1.46% , the impact of the costs that we take each year for managing your investment.	146 EUR
Transaction costs	0.30% of the value of your investment per year. This is an estimate of the costs incurred when we buy and sell the underlying investments for the product. The actual amount will vary depending on how much we buy and sell.	30 EUR
Incidental costs taken under specific conditions		
Performance fees	0.13% A performance fee will be paid on a yearly basis (30th April of each year) equal to 10% of the positive difference between the NAV per share before performance fee and the HWM multiplied by the number of shares outstanding.	13 EUR

HOW LONG SHOULD I HOLD IT AND CAN I TAKE MONEY OUT EARLY?

Recommended holding period: 5 years

Due to the nature of the investment strategy, the suggested holding period is at least 5 years. However the investors will be able to close their investments on each redemption date.

HOW CAN I COMPLAIN?

The purpose of the Complaints Handling Procedure of the Fund is to ensure that complaints are handled in a manner which is fair, objective and truth oriented. A complaint is an expression of dissatisfaction received, whether in oral or in written, from or on behalf of an eligible complainant, about the company's provision of, or failure to provide, a financial service. A request for information, clarification or service is not a complaint. A complainant can request the Fund' detailed Complaints Handling Procedure or directly submit his/her complaint by sending a letter to:

PHARUS MANAGEMENT LUX S.A.
16 Avenue de la Gare
L-1610 Luxembourg
+352 28 55 69 1
info@pharusmanco.lu

The complainant will also have the possibility to lodge their complaints directly with financial intermediaries, such as local distributors and/or paying agent of the relevant country of distribution, who will escalate the complaint to the Fund.

The following information shall be provided to ensure a prompt handling of the complaint:

- identity and contact details of the complainant;
- reason of the complaint; and
- where available, copies of any documentation supporting the complaint.

PHARUS MANAGEMENT LUX S.A. will send a written acknowledgement of receipt to the complainant within 10 working days after the receipt of the complaint, unless the answer itself is provided to the complainant within this period. PHARUS MANAGEMENT LUX S.A. shall seek to provide an answer to the complaint without undue delay and in any case within a period not exceeding 1 (one) month from the date of receipt of the complaint. If the answer cannot be provided within this period, PHARUS MANAGEMENT LUX S.A. will inform about the causes of the delay and the timescale to respond to the complaint.
